

Pradesh as well as student bodies and community based organizations of Arunachal Pradesh vehemently opposed the Bordolai Commission Report/Notification on 23rd February 1951.

Moreover, the party said, repeated eviction drives involving dismantling of houses, health centres, school buildings and agricultural and horticultural crops etc. belong to inhabitants of Arunachalees along the Assam and Arunachal Pradesh border is a bone of contention and cause of tensions and border skirmishes. The BJP also appealed to the print and electronic media to exercise restraint at this juncture.

Arunachalee student dies after physical attack in New Delhi

ITANAGAR, Jan 31: A college student from Arunachal Pradesh has died allegedly after being beaten by a group of men at a crowded commercial locality in south Delhi on Wednesday. Nido Tania, 18, a first year student, had reportedly gone to Lajpat Nagar in south Delhi with three friends on Wednesday afternoon, and was looking for an address when someone at a sweet shop started mocking about his Mongoloid feature. This enraged the young lad and fight erupted. Late Tania is son of Nido Pavitra, parliamentary secretary for health and family welfare.

Delhi Police sources said that a group of seven or eight local men allegedly beat him with sticks and rods causing severe injury. Someone called the police, who reportedly arrived and took the four students away but inexplicably dropped them back at the same place after a while. There they were allegedly beaten again, say sources. He came to his rented accommodation at Green Park extension and was later found dead at his room. Many believe that he became victim of racial attack. Meanwhile IGP Delhi police Robin Hibu informed that he has directed area DCP along with SHO's to intensify the investigation and expedite police action in this regard. A case (No 47/2014 under 302 IPC and Section 3 (sub-section 10) of Prevention of Atrocities against SC/ST Act has been reregistered at Lajpat Nagar police station and viscera of late Tani has been sent to CBI laboratory, he added.

The Arunachal Pradesh Doctors' Association (APDA), the apex body of Doctors in the state expressed deep shock at the tragic death of Nido Tania at AIIMS Hospital, New Delhi. APDA hoped that all those responsible will be booked and punished as per law. They also prayed for speedy recovery of parents from the state of deep shock at the irreparable loss of their son.

Meanwhile, Peri-Pump Association, Yom Buli Welfare Society, All Raga Area Students Union, Arunachal Law Students and Arunachal Students Union of Shillong have condemned the murder of late Tania. They all appealed that justice be delivered to the victim at the earliest. They are going to organize peace rally on 1st Feb at Itanagar demanding speedy justice.

Asian Centre for Human Rights (ACHR) has urged the Delhi Police to invoke the Scheduled Castes and Scheduled Tribes (Prevention of Atrocities) Act, 1989 against the murderers of Tania. They further called for trial of all the accused in a fast track court.

North East Student's Welfare Association, (NESWA) Gwalior urged the Delhi police to investigate the matter and put the criminal behind the bar and ensure the safety of our north eastern students living in Delhi.

The North East Forum for International Solidarity (NEFIS) condemned the attack on Arunachalee youth Nido Tania and demanded action against the SHO of local police station.

"This case of assault on a North East youth living in Delhi is not one of its kind but part of a string of similar attacks and racial profiling of migrant North East youth. Delayed and poorly construed police action is typical in such cases," the Forum said.

The Lajpat Nagar SHO and local police officers should be investigated for their role in neglecting the seriousness of the incident. A complete investigation in this matter is essential, it said.

2 arrested, magisterial inquiry ordered
